The above-identified application is withdrawn from issue to permit re-opening of prosecution. See 37 CFR 1.313.

The above-identified application is hereby withdrawn from issue.

The Notice of Allowability mailed February 27, 2006 was mailed in error and is hereby vacated. The above-identified application is being forwarded to the examiner for prompt appropriate action, including notifying applicant of the new status of this application and action on the amendment filed May 15, 2006.

If the issue fee and the publication fee have been submitted, the applicant may request a refund, or may request that the fee be credited to a deposit account. However, applicant may wait until the application is either again found allowable or held abandoned. If the application is allowed, upon receipt of a new Notice of Allowance and Fees Due, applicant may request that the previously submitted issue fee and publication fee be applied toward payment of the issue fee and publication fee in the amount identified on the new Notice of Allowance and Issue and Publication Fee Due. If the application is abandoned, applicant may request either a refund or a credit to a specified Deposit Account.
